Appropriation Accounts for 1928-29.

Please see the proof copy of the Bangalore Appropriation Accounts for 1928-29 forwarded with the P.U.C. The following sums were left uncovered by reappropriation under the heads mentioned below:-

	Plus Excess -Savings Rs.
(1)Account I-Police-A.7-Contingencies... ...	+ 27/-
(2)Account IV-Other Expenditure Heads-E-General Administration-District Establishment-E.2-Pay of ------ Establishment... ...	+ 1/-
	28/-

Item 1.

The excess is mainly under "office expenses and ------- miscellaneous" due to the purchase of certain articles of furniture paid from the last week of March, 1929. This was not brought to the notice of the Resident by the Commissioner of Police and the amount was therefore left uncovered by reappropriation.

Item 2.

This was due to increase under leave salary of the ---- Collector's office establishment.

There was no increase of expenditure under other heads in 1928-29.

Large savings occurred under the following heads:-

(1) Account I-Police-A.5-Works...	-4,357
(2) Account II-Education-G.2-Scholarships..	-1,214
(3) Account III-Medical-G.-Public Health-Works...	-2,435
(4) Account IV-Other Expenditure Heads-G-Jails and Convict Settlement	-4,237
(5) " K-Superannuation Allowances and Pension... ...	-1,109
	-13,352

Item 1.

Item 1.

As the land for the construction of a new Police ----- Station at Cleveland Town was acquired and handed over to the Municipal Executive Engineer in February, 1929, the work could not be completed in that year. Large savings were therefore left under this head.

Item 2.

Savings occurred mainly under Secondary and Special scholarships.

Item 3.

Due to less expenditure incurred on the new Isolation Hospital .

Item 4.

The savings were mainly under charges payable to the Mysore State and the Madras Government for the maintenance of Bangalore prisoners. This is a fluctuating charge

Item 5.

Certain pensions payable in the Mysore State Treasuries were not drawn within that year.

The above explanations are given by the Pay and Accounts Officer in the Appropriation Report. It appears that no further comments are necessary.

IMPORTANT VARIATION UNDER INDIVIDUAL ACCOUNTS.

ACCOUNT II.—EDUCATION.

Subhead E. 2,—The saving of Rs. 7,221 in the appropriation of Rs. 23,476 was due to the fact that the estimate of Rs. 23,476 included Rs. 7,280 on account of stipends tenable in other than Government Training Institutions which were correctly debitable to subhead F.

Subhead F.—The actual expenditure amounted to Rs. 25,839 against the sanctioned estimate of Rs. 17,200. The excess was due to:—

(*i*) Increased expenditure under 'Building and Furniture grants' (Rs. 2,633).

(*ii*) The stipends tenable in Non-Government Training Institutions originally provided under subheads "E 2" were recorded under this subhead (Rs. 6,048).

ACCOUNT III.—MEDICAL AND PUBLIC HEALTH.

Subhead A. 5.—The excess of Rs. 67,026 over the sanctioned provision of Rs. 23,850 was due mainly to the expenditure on the construction of the Isolation Hospital having been recorded under this subhead instead of under subhead "G" where the provision for the expenditure was wrongly made in the original estimates.

ACCOUNT IV.—OTHER EXPENDITURE HEADS.

Subhead G.—The actual expenditure amounted to Rs. 9,968 against the original provision of Rs. 15,000. The nature of the charges recorded under this subhead is fluctuating and the provision was based on past actuals. The savings are mainly under charges payable to the Mysore State and the Madras Government for the maintenance of Bangalore prisoners (Rs. 4,400), debits for which are received at the close of the year, and under charges for moving prisoners (Rs. 477).

Sir,

S.8.19 (N)

With reference to your endorsement No.4225-239-1928, dated 22-5-'30 forwarding a copy of Express letter No.F-164-A-30, dated 14-5-'30 from the Government of India, Foreign and Political Department regarding the appropriation accounts for 1928-29, I have the honour to furnish below the reasons for not advising the surrender of the unadjusted saving of Rs.265/- under Account IV-Other Expenditure Heads-C Stamps.

Charges on account of discount on sale of stamps and the manufacturing cost of stamps supplied from the stamp store to this depot are recorded under this Head. The charges on account of discount are of a very fluctuating nature and depend on the amount of stamps sold. A decrease in the value of court fee stamps sold during the year mainly led to the saving under the Head. As an accurate estimate of the court fee stamps likely to be sold in the closing month of the year could not be made, no surrender of the saving was proposed.

I have the honour to be,

Sir,

As regards 'E-Special - E 2 Other charges' it may be mentioned that stipends tenable in Government Training Schools, whether in Bangalore or outside Bangalore, are debitable to 'E-Special - E2 other charges - stipends to students' whereas stipends tenable in Non-Government Training Schools are debitable to 'F - Grants-in-Aid to Non-Government special schools - other grants - stipendary grants.' In the Mysore Assigned Tract Budget Estimate (Part II A) for 1928-29 the provision for the latter item also was included by the Departmental Officer under 'E 2 - other charges' and as the provision in Part II A of the Budget Estimate was approved by the Government of India, Finance Department in their letter No.D-6768-Ex.II, dated 21-11-1927, it was suggested in the change statement forwarded by this office to the Government of India, Foreign and Political Department in No.P/Budd. 2402, dated 7-12-1927 that a sum of Rs.6,700 representing stipends tenable in Non-Government Training Schools based on the then sanctions, may be transferred from 'E 2 - other charges' to 'F - Grants-in-Aid to Non-Government special schools' and that the transfer may be given effect to in the final estimates. The suggested transfer was however not effected in the final Budget Estimate for 1928-29 and hence re-appropriation of funds was rendered necessary as explained in the appropriation accounts.

BUDGET EXPENDITURE FOR 1928-29.

Sir,

S.N. 19 (N)

With reference to your No. 4225/239-28 dated 22-5-30, I have the honor to state that I have not received the proof copy of the appropriation account mentioned therein, but I give below the information asked for by the Government of India:-

ACCOUNT II-EDUCATION.

1.C. Primary- C. 2. other charges:-

Under this head a provision of Rs.340/was made for " Works" which is administered by the Executive Engineer, Civil and Military Station, Bangalore. He may kindly be asked why the amount was not spent or surrendered.

2. E, Special- E. 2- other charges:-

For several years past provision for stipends for Students under Training in all Training Schools was made under "Scholarship". This, however, was objected to by the Pay and Accounts Officer and the amount was transferred to "E.2". other charges". In the year 1928-29 the Pay and Account Officer wanted the provision for Stipends in aided Training Schools should be transferred to "F- Grants-in-aid to non- Government special Schools" which was accordingly done by reappropriation of Funds. Provision has been made under proper heads since then.

3. G. General. G. 1 (2). Pay of Establishment.

The saving was due to the fact that the temporary music Instructo

was appointed later than was anticipated. A part of these savings was utilized for other purposes by reappropriation and the balance retained for any unforeseen expenditure .

4. G. 2- Scholarships:-

This head includes provision for special consession to Children of Ex- Army men. It is not possible to draw up an accurate estimate of expenditure for this, as applications are received throughout the year, including the last month of the official year. A small sum is therefore retained to meet such emergencies.

I have the honor to be,
Sir,

The total savings under 'A5- Works' under Accounts I- Police were Rs 4,357/-. The saving of Rs 3,142/- was due to less expenditure on the construction of the Cleveland Town Police Station (vide the explanation under A5 Works in this office appropriation accounts for 1928-29, copy sent to you with No P/App-3846 (a) dated 14th October 1929). The explanation furnished by the Municipal Engineer as to why this saving could not be surrendered before the 10th March is correct. There were, however, no savings in the expenditure on the extension of the Infantry Road Police Station but a small excess of Rs 181/-. The balance of the savings, viz, Rs 1,215/- was the result of small savings spread over 68 minor and repair works executed during 1928-1929.

SIR,

Ref:- Your No. $\frac{4225}{239\text{-}1928}$ dated 22nd May 1930.

The savings of Rs.3,600/- and odd was due to the fact that the work to extent anticipated in constructing Cleveland Town Police Station and extending Infantry Road Police Station could not be done. The land for the former was handed over only on 13th February 1929, too late in the year to spend the grant ear marked for it. As regards the latter, the final bill expected to be paid before March 1929, could not be paid during the year as the Contractor had to rectify some bad work done.

It was not possible to foresee these savings before 10th March 1929.

S.N.25 Part I

(1) Subhead A.5-Works. The total savings under this head were Rs. 4,357/-. Saving of Rs. 3,142/- was due to less expenditure on construction of Cleveland Town Police Station. As land was handed ~~acquired~~ over only on 13th February, 1929, it was not possible to spend the grant ear-marked for it before close of official year. The balance of savings, viz., Rs. 1,215/- was the result of small savings spread over 68 minor works and repairs executed during 1928-29. It was not possible to foresee these savings before 10th March, 1929.

Account

Account II-Education.

(1) C.-Primary. C.2. Other Charges. Under this head a sum of Rs. 340/- was made for repairs to Government Elementary School in the Indian Institute of Science, Bangalore. Municipal Executive Engineer has been addressed in the matter and on receipt of his reply a further communication will be made.

(2) E.-Special-E.2-Other charges. Stipends tenable in Government Training Schools, whether in Bangalore or outside Bangalore, are debitable to 'E.-Special-E.2-Other charges-Stipends to Students' whereas stipends tenable in Non-Government Training Schools are debitable to 'F-Grants-in-Aid to Non-Government Special schools-other grants-stipendary grants.' In the Mysore Assigned Tract Budget Estimate (Part II-A) for 1928-29, the provision for the latter item also was included by the Departmental Officer under 'E.2-other charges' and as the provision in Part II-A of the Budget Estimate was approved by the Government of India, Finance Department, in their letter No. D-6768-Ex.II, dated 21st November, 1927 it was suggested in the change statement forwarded by the Pay and Accounts Office to the Government of India in the Foreign and Political Department, in No. P/Bud. 2402, dated 7-12-1927, that a sum of Rs. 6,700/-, representing stipends tenable in Non-Government Training Schools based on the then sanctions, may be transferred from 'E.2-other charges' to 'F.-Grants-in-Aid to Non-Government Special Schools' and that the transfer may be given effect to in the final estimates. The suggested transfer was however not effected in the final

final Budget Estimate for 1928-29 and hence re-appropriation of funds was ----- rendered necessary as explained in the appropriation accounts.

(3) G-General. G.1(2)-Pay of Establishment. The saving was due to the fact that the temporary Music Instructor was appointed later than was anticipated. A part of these savings was utilised for other purposes by reappropriation and the ----- balance retained for unforeseen expenditure.

(4) G.2-Scholarships. This head includes provision for special concession to Children of Ex-Army men. It is not ------ possible to draw up an accurate estimate of expenditure for this, as applications are received throughout the year, including the last month of the official year. A small sum is therefore retained to meet such emergencies.

Account IV-Other Expenditure Heads

(1) C-Stamps. Charges on account of discount on sale of stamps and the ------ manufacturing cost of stamps supplied from the Stamp Store to this depot are recorded under this head. The charges on account of discount are of a very fluctuating nature and depend on the amount of stamps sold. A decrease in the value of court fee stamps sold during the year mainly led to the saving under the head. As an accurate estimate of the court fee stamps likely to be sold in the closing month of the year could not

be made, no surrender was made.

SIR,

FS.N.24 (F)

With reference to your letter No.4696 dated 10th June 1930, regarding the lapse in grant under "Account II. Education C Primary - C.2 Other charges", I have the honour to state that the budget provision of Rs.340/- was intended for the annual repairs to certain buildings connected with Elementary School in the Indian Institute of Science. These repairs are usually estimated for and carried out towards the close of the official year i.e., in February or March as a rule. In 1929 it was found that the buildings did not require much repairs and only the actual repairs required were carried out. This resulted in the savings referred to which could not be anticipated sufficiently early to be surrendered.
